Interest

The term loans bear interest at three-month USD Libor plus margin. The effective interest rate for the period was 5.13% (31 December 2022: 4.65%).

Security

The term loans are secured by a commercial mortgage over the Company’s assets and a legal mortgage over the Company’s rights, title and interest in the Usufruct Agreement dated 11 February 2013. In addition, a charge has been created over all of the Company’s shares.

Covenants

The facilities agreements contain certain covenants relating to liquidity. These include restrictions on the debt/equity ratio, the debt service coverage ratio and the loan life cover ratio. The Company satisfied with these covenants for the interest period in 2023.

9. Hedging Reserve

Hedging reserve comprises the effective portion of the cumulative net change in the fair value of cashflow hedging instruments related to hedge transactions that have not yet occurred. In accordance with the Common Terms Agreement, the Company is required to enter into interest rate hedging agreements to cap the Company’s exposure to fluctuating interest rates. This requirement covers the term loans.

The hedging arrangement obliges the Company to pay fixed interest at the rate of 2.86% per annum on a quarterly basis for the term loans. These cash flow hedges were assessed as highly effective as at 30th June 2023 (For the year ended 31 December 2022: highly effective).

The classification of the fair values of the derivative financial instruments based on the remaining period to maturity from the reporting date is as follows:
